BombShell™

100XX Bronzer

White Tea Extract, Amino Acid and CoQ-10

Ultra-Extreme Sizzle Formula with Exotic Bronzer Blend

Sales Fact Sheet

➤ BombShell™

Story: Breathtakingly stunning, undeniably sexy and completely unforgettable. Beauty may be fleeting, but bombshells are eternal. The infamous color and fiery intensity of the iconic BombShell 100XX have remained the same, but with an all new look worthy of this tanning legend! Fall in love all over again with this Ultra-Extreme Sizzle Formula that will leave skin with an unrivaled hue of passionate bronze. A little intimidated? Of course darling! You are in the presence of greatness.

Rationale

- Update of the ever popular BombShell™ that has been a staple in the Designer Skin line since 2001
- Same great formula just with a new look!

Product Type

- 100XX Bronzer
- Exotic Bronzer Blend
- Ultra-Extreme Sizzle Formula
- Fragrance: Kiwi Watermelon

Technology

- Ultra-Extreme Sizzle Formula imparts a sweltering heat that aids in oxygenation of skin cells allowing for more dramatic color at a head spinning rate
- Exotic Bronzer Blend of Walnut, Amino Acids and a kiss of DHA brings color to a scorching degree of dark
- White Tea Extract and Coenzyme Q-10 combine for a knockout fusion of powerhouse antioxidants and free radical scavengers for a ravishing appearance

Additional Information

- Not tested on animals
